TURNAROUND AWARDS GALA CEREMONY Winners Celebrations: The Field Museum, Chicago

JUNE 23, 2015.

Global M&A Network congratulates all the nominee – winners of the prestigious Turnaround Atlas Awards for completing a wide-variety of transactions in a year full of uncertainties. For 2015, 410 transactions were scrutinized per strict and accurate eligibility standards. Ultimately, only 48 unique transactions are selected as winners.

As before, there are total of 15 "OUTSTANDING FIRM of the YEAR" categories, including two **new categories** – Global Distressed Investor and Middle Market Lender awards. As always, the coveted "RESTRUCTURING PROFESSIONALS of the YEAR" awards are given to the top performers from the industry and announced at the annual awards gala ceremony.

A TRADITION of EXCELLENCE: Over the past eight years, the winners are selected independently based on identifiable performance criteria such as restructuring raison - style, pre/post workout, sustainability, operational/client/HR metrics, number of creditors, timeliness, jurisdiction; leadership; resourcefulness; among other criteria unique to the award category.

7th AWARDS GALA CEREMONY: Winners are officially honored at the awards gala ceremony held at the Field Museum, following the forum held at the University Club. All winner – nominees must attend the gala to accept industry's most "elegant and prized" winner's trophy.
